TO ALL WBO DELEGATES AND AFFILIATED SOCIETIES' OFFICIALS

You will recall that at the 2006 WBO meeting it was agreed unanimously to adopt a 6-year Ring Colour Sequence (see Minutes of 9th June 2006, Item 5.b.) and for me to write to the C.O.M. informing them of this decision and recommending that they do the same.

At the 2007 WBO meeting (see Minutes of 24th August 2007, Item 5.a.) I reported that I had sent a letter to the C.O.M. President dated 31st August 2006 and a subsequent letter to their new President dated 13th July 2007. At the 2007 WBO meeting Carlos Ramôa (Portugal – SPO) informed the delegates that his society, as an affiliate society of the C.O.M., has officially made the same request.

I am now very pleased to inform you that, with the assistance of Portugal – SPO, the C.O.M. have agreed to adopt the 6-year Ring Colour Sequence commencing with our existing ring colour of violet for 2009. This is indeed a major step forward and we now recommend the adaptation of this colour sequence as listed below.
